

STOCKYARDS ABLAZE.

Incendiary Fires Are Started in Cleveland Hog Pens.

CLEVELAND, Oct. 2.—Fire started by incendiaries at noon to-day, who fired several bales of straw near the loading chutes in the hog pens of the stockyards. More than 1,400 hogs in pens nearby were hauled away safely. Several carloads of cattle were turned loose from the pens and ran wild about the stockyard.

The fire was not under control at 2 o'clock.

British Take Mail From Dutch Ships.

BERLIN, Oct. 2 (by wireless to Sayville).—Reports from Amsterdam to the Overseas News Agency say that three Dutch steamships, the Kambangan, from Amsterdam for Bahia; the Frisia, from Buenos Ayres for Amsterdam; and the Commeweyne, from Paramaribo for Amsterdam, were forced to leave their mails at an English port.

Hurray! Griddle Cakes for Breakfast!

Maybe your youngster won't hustle down to breakfast when there are "Presto" griddle cakes on the bill of fare!

You can't blame him—of course not. The cakes you make with "Presto" are always lighter and better eating—now aren't they? And incidentally, don't you appreciate the convenience and saving in time when you use "Presto"? Most housewives do.

BRONX PROSECUTOR TAKES UP CHARGES AGAINST HOSPITALS

Fordham, Riverside and Metropolitan, Named in Complaint on Treatment of Child.

District Attorney Martin of Bronx County began an investigation to-day into the charges made against physicians at Fordham, Riverside and Metropolitan Hospitals, by Joseph Dye and his wife Harriet of No. 235 East One Hundred and Sixtieth Street. Through Mrs. Steven B. Ayres of the Bronx Big Sisters the matter was laid before Justice Ryan of the Children's Court.

According to Mrs. Ayres two-year-old Joseph Dye was taken to Fordham Hospital July 28, but rejected as a patient because the hospital was crowded. At Riverside the child's illness, it is claimed, was pronounced to be infantile paralysis and he was sent to the Metropolitan, after being carried about for seven hours in ambulances.

Sept. 21 the child was discharged as cured, but died in agony three days later at home. The parents charge that the baby was neglected in the Metropolitan Hospital and died of gastritis and not of infantile paralysis. Mr. Martin said to-day that the hospitals were apparently neglecting the warning given in a Grand Jury presentment, following an investigation some months ago.

"I shall take the matter up with the Health Department," he said, "and make sure that in hospitals under the control of that department, there is some systematic method of transferring patients from overcrowded hospitals and giving their relatives assurance of proper and considerate care."

JUSTICE LYNCH RESIGNS.

Leaves City Court to Become Attorney for Railroad Receiver.

City Court Justice Richard Lynch to-day gave up his \$12,000 a year office to become attorney for a Western railroad receiver. When Chief Justice Edward O'Dwyer reached his office in the City Court Building this morning he found a letter from Justice Lynch stating that he had gone West last Saturday to fill his new position.

The former Justice is a Democrat and has been prominent in the affairs of the National Democratic Club. His term on the bench did not expire until December 31 next year.

ANTI-DRUG LAW VALID, HOLDS JUSTICE GARVIN

Disputed Section as to Having Opiates in One's Possession Constitutional.

In a decision to-day upholding the law making it a misdemeanor to have narcotic drugs in one's possession, Justice Garvin in Special Sessions said:

"When conditions are so serious as to require a special police squad, which devotes all its attention to drug users and sellers; when the municipal authorities find it necessary to maintain a large farm colony to which drug victims may be committed for treatment, and when criminals are daily pleading that had it not been that they were under the influence of a drug they would not have committed crime, it becomes manifest that any legislation of the character of the disputed section is well within the police power of the State."

Counsel for Cora Marcey, convicted of having morphine in her possession, attacked the constitutionality of the section.

AUTOIST KILLED WOMAN, HURT SON, THEN FLED

Green Felt Hat Only Clue to Driver Who Sped Away After Hempstead Accident.

A green felt hat is the only clue the police have to the driver of an automobile which killed Mrs. Ella M. Taylor, aged fifty-three, and seriously injured her twenty-year-old son Henry as they walked near their home on the Old Country Road at Hempstead, L. I.

The accident occurred late Saturday. Taylor regained consciousness yesterday, but could not describe the car or its driver. The car was found near the scene. Carl H. Schmidt, proprietor of a nearby hotel, told Coroner Seaman that about the time of the accident a stranger told him a doctor was needed for some one his car had just struck. The man, according to Schmidt, then jumped into a machine and drove away.

Delta Kappa Epsilon Incorporated.

In the presence of A. Barton Hepburn, Ogden Mills Reid, Charles Sherill and other prominent New Yorkers, Justice Garvin to-day signed papers in the Supreme Court incorporating the Delta Kappa Epsilon, one of the largest national fraternities in the country. A few days ago the fraternity purchased the site of the old Yale Club. It will be transformed into a modern club building.

MAN WHO SHOT FIVE UP ON MURDER CHARGE

Four Jersey Policemen, Two of Whom Died, Were Among Victims of Antonio Fedrici.

Antonio Fedrici was placed on trial here to-day before Judge Harry V. Osborne, in Newark, charged with having shot and killed Patrolmen Robert J. Shannon, of the East Orange police force, at Cedar Grove on the night of Dec. 17 last. It took but two hours to get a jury.

Besides the charges on which he is being tried Fedrici is under indictment for shooting and killing Patrolman William F. Mertz of the Bloomfield police force, for having shot Patrolman David Wendell of East Orange and Patrolman William Higgins of Bloomfield. He is also accused of shooting Charles F. Barr at Cedar Grove.

The policemen sought to arrest Fedrici at Cedar Grove for the shooting of Barr and a pistol fight followed. Fedrici was inside a house and opened fire. After shooting the men he escaped and was caught only recently.

CHICAGO'S OFFICIALS IN SLOT MACHINE DEAL

Mayor's Alleged Financial Backer as Well as the Chief of Police Are Besmirched.

CHICAGO, Oct. 2.—Detectives operating under the direction of State's Attorney Hoyne, who is investigating slot machines in Chicago, to-day raided the Sportmen's Club of America, of which Mayor William H. Thompson formerly was President, seized all records and summoned the secretary and other attaches to appear before the Grand Jury.

Assistant State's Attorney Berger issued a statement that the raid followed investigations which indicated that officials of the club, including Chief of Police Charles C. Healey, were connected with the installation of slot machines in Chicago.

Mr. Berger's statement said that keepers of saloons and vicious resorts and handbook makers were solicited to become members of the club, and that life memberships were sold for \$100. The money collected was used for political purposes.

CONTEST OF \$2,000,000 SUYDAM WILL DROPPED

Fight Over Estate of Real Estate Dealers Said to Have Been Settled Out of Court.

A legal battle involving an estate of more than \$2,000,000 came to an end to-day when relatives of Lambert Suydam, wealthy real estate dealer, withdrew objections filed by them in the Surrogate's Court to the probate of the will. It is understood a settlement has been effected out of court.

A nephew, also named Lambert Suydam, who lives at No. 830 Park Avenue, and who was favored in the contested will, said his uncle's reason for disinheriting certain other relatives was that they had always considered themselves "socially superior" to him until they lost a large part of their wealth.

The objections were filed by several nephews, among them Richard L. Suydam of Garden City, L. I., and his brother Harry. They alleged the exercise of undue influence by the principal heirs.

SURFACE CARS IN CRASH.

Passengers Severely Shaken Up in 125th Street Collision.

Two One Hundred and Twenty-fifth Street cars collided this morning at Manhattan Street through the failure of the rear trucks of a westbound car to take the automatic switch at that point. This threw the rear of the car into the front of an eastbound car, crumpling up its front vestibule and breaking all the glass in both cars.

The eastbound car was filled with passengers from the Fort Lee Ferry and these were severely shaken up by the impact. Four women suffering from shock were attended by Dr. Lady of Knickerbocker Hospital.

Patrolman Caesar Bonanno was injured when two cars of the Union Railroad collided at One Hundred and Ninety-sixth Street and Jerome Avenue.

Structural Iron Workers who fight high winds and all kinds of weather choose the kind of underwear giving the greatest amount of protection and comfort. They wear reliable WOOLEN underwear—no fads for them. They are careful to buy—

Royal STANDARD

You too should wear ROYAL STANDARD if you are exposed to the uneven temperature of street or country, home, office or workshop.

It fits fine, feels good, wears long, wards off colds and chills, prevents sudden cooling of the body and keeps you well.
